Another Old Testament Lesson

We studied "Samuel." The part we focused on was found in 1 Samuel chapters 1 and 3. His parents waited to be blessed with baby Samuel for a long time. Hannah, his mother, promised to give him back to God so she sent him to live at the temple to serve God with his life. He didn't just spend the day there, but he actually lived at "church" day and night. The children enjoyed acting the part of "Samuel." He was lying down and God called him three times. Samuel thought that it was the priest, Eli, so he got up three

times and asked Eli if he had called. Finally, Eli said, "It must be God calling you." Answer, "Speak, Lord, for your servant is listening."

Since Samuel's mother, Hannah, made a robe for him each year, we decorated robes for Samuel.

Health and Safety

How can we stay healthy and safe?

#1 Eat well - We talked about a variety of healthy food during our snack time while looking at plates which held pictures of food groups. They were then put in the housekeeping area.

#2 Exercise and fresh air - During gym time we tried aerobics to music; walked, bounced, marched, etc. to a song, and used hula hoops and balls to help us move. Books were read such as Get Up and Move! and Games. This year we try to get outside more for fresh air and sunshine!

#3 Sleep - Go to bed when your parents say!

#4 Wash hands - In addition to the "Tops and Bottoms" handwashing song we're practicing counting to 20 as we wash our hands and as we look at the caterpillar numbers which tell us how many days we've been in school.

#5 "Cover Your Mouth" - We have a song to sing with music to help us to remember to cover our mouths with our elbows when we cough or sneeze.

#6 Safety - A book was read called Play It Safe - a book about safety all year round.
