Preschool Happenings

Bible Lesson Time

Our Bible lesson was “The Birth of John” from Luke 1:5-25 and 1:57-80. God used an angel and a baby named John to help the people in Bible times get ready for Jesus.

Each week we’ve been adding an Advent candle to our wreath and have been opening doors and windows to read the Christmas lessons each day with our Christmas calendar.

Two games were played during gym/outside time connected to our Bible lesson. One was “Jesus Is Near” and the other “Wait, Wait, Wait.”

We’ve been practicing our Christmas songs and then recorded them this week with the help of Mr. Koepsell and Mr. Hinds as did the rest of the school. We’re thankful we can still proclaim the good news of Jesus’ birth, even if it is in a different format.

Art

We covered paper gingerbread men with glue, then sprinkled them with cinnamon. After they dried we decorated them with ribbons, yarn, and buttons.

Math

An AB pattern was continued with Unifix cubes.

Assessments

Each week assessments are being done getting ready for our “report cards” in January. We are learning and growing in many different areas: spiritual, social and emotional, health and physical, communication and language development. We also are growing in cognition and general knowledge and how we approach learning.

3K Numbers

This week they:

1. counted 9 and 10 shapes.
2. counted up to 10 raindrops on their hats with “Pit-a-Pat.”
3. felt the beat to 10 jumping 4xs with a 1/4 turn.
4. wrote 9 and 10 with finger pencils.
5. finished Do-a-dots with the number 10.

4K Reading Readiness

This week they:

1. identified colors and parts of a whole.
2. colored in and drew circles.
3. identified top, middle, and bottom.
4. identified same or different words.
5. cut.
6. identified positions.

Chapel

We will attend chapel this week and next. We are happy to worship in God’s house with the rest of the school.
