*Weekly Bible Lesson*

Our weekly Bible lesson comes from Daniel 6. What an example Daniel was for us! He was commanded to pray only to the king for 30 days. Before that time he prayed to God 3 times a day. After the law he still remained faithful to God with his daily prayers. The punishment was to be thrown into a den of lions so that is where Daniel went. God preserved Daniel's life by closing the mouths of the lions. The king then wanted everyone to worship the true God.

We have a "Daniel" puzzle and books. During gym class we played animal charades. We've been putting together a wild animal floor puzzle.

*Christmas Songs*

3K Song: As each happy Christmas dawns on earth again, Comes the holy Christ Child to the hearts of men. Enters with his blessing into every home, Guides and guards our footsteps as we go and come.

**The 3K will record their song on Thursday, Dec. 10. Please have your child wear a Christmas outfit or nice church clothes on that day.**

4K Song: God loves me dearly, grants me salvation, God loves me dearly loves even me. Therefore I'll say again: God loves me dearly, God loves me dearly, loves even me. He sent forth Jesus, my dear Redeemer, He sent forth Jesus and set me free. Therefore I'll say again: God loves me dearly, God loves me dearly, loves even me.

**We will be recording 4K on DVD with the rest of the school on Wednesday, Dec. 9. Please have your child wear a Christmas outfit or nice church clothes on that day.**

*Spatial Concepts*

In gym: We circled to the left, right, in, out, etc. to music.

We moved a ball over our heads and under our bodies.

In art: Left and Right Art - On the right half of our papers we painted with our right hands and on the

left half of our papers we painted with our left hands. It looks different!

With books and cards: We looked at a variety of pictures on spatial cards using words to describe them.

Action opposites were acted out with the book Red Light, Green Light.

Some fun spatial books were read such as Hop on Pop, There's a Wocket in my Pocket, and Let's Play in which we followed a yellow ball throughout the book.

*Math*

We became familiar with collections by exploring, describing, arranging and sorting the items in various ways.

*4K Reading Readiness*

Concept Development: green, top, middle, bottom; parts of a whole

The Storybook: The Elves and the Shoemaker

Letters: Recognize, name identify and circle the letters G and H. With each new letter we get to pick out a new stuffed animal to play with for a few weeks during center and quiet reading time.

*3K Numbers*

We focused on the numbers 8 & 9. We counted 8 and 9 shapes, drew with finger pencils, and used the poem "Pit-a-Pat" to count raindrops on our hats. Our favorite Do-a-dots were used for number 9.
