Jesus Grows

Our Bible lesson comes from Luke 2:41-52 which is "Jesus in the Temple." Mary and Joseph found Jesus in the temple listening to the teachers and asking them questions. Being in God's house was a priority in Jesus' life. We should follow Jesus' example and make it a priority in our lives, also. No matter how busy our lives may be, putting God first with church, family and personal devotions helps our faith grow as we listen, read, and study God's Word. These are all precious gifts from God.

Chapel

4K will attend chapel this Friday, January 15. Your child may bring an offering for Costa Maya Ministries. He or she will put it in the offering basket on my desk and I will take it to chapel

Gym / Outside Time

*Call Ball - One child threw a ball in the air and called a friend's name. That child had to catch or retrieve the ball.

*"Crossing the Swamp" - The children "crossed the swamp" various times. It was always filled with imaginative materials: eggs, oil, deep snow, marbles, sticky tar, glue, quick sand or worms!

*Skipping to Music

After Snack

After snack is always quiet reading time while music is playing. After that we might stretch with yoga or move to music. This week we moved our arms and legs to "Johnny Works with one Hammer."

Cutting

3K cut play dough. 4K cut ski slopes on dotted lines.

Measuring

The children explored with a scale. They guessed which of the items they picked to weigh would be heavier. Was it the potato or the jar of beans? Could it be the orange or the jar of Styrofoam?

Reading Readiness

*We identified and circled the letters Ii, Jj, and Kk.

*We had practice with squares, position words, and parts of a whole.

*Listening to position words, we circled parts of pictures. Sequences of sounds were identified.

3K Numbers

3K is beginning Numbers 1, 2, 3. They will trace big numbers with their fingers. The numbers will then be colored along with that number of pictures. This week it was numbers 1 and 2 coloring 1 bulldozer and 2 alligators. They were also counted.

Storytime

It's great to end the morning with a story:

You Can Measure - How do you measure weight, capacity, temperature, etc.?

The Gift That I Can Give - God gave us each unique gifts to be developed.

Jaguar - The jaguar lurks in the Venezuelan Llanos. The hunter plans on shooting it to protect his herd, then realizes the beauty of the animal, letting it walk away in peace.
