LWMS REPORTER Ladies, would you like to be a vital link between LWMS (Lutheran Women's Missionary Society) and the women of St. Peter's Congregation? Our congregation is currently looking for a LWMS Reporter. This role involves minimal time and there are many resources available to help, including a Reporter Handbook.

What is LWMS? It is women working for missions, supporting WELS home and world missions. All confirmed women of our congregation are LWMS members. Within our congregation, the LWMS Reporter shares with St. Peter's Evening Circle information on LWMS events and activities. Evening Circle supports LWMS and the reporter by assisting with these events and activities including: hosting a Saturday morning LWMS Rally every few years, handling membership lists and mission project ballots, setting up LWMS collection baskets semi-annually, providing information on the LWMS Annual Convention, and befriending a missionary and their family through cards, letters, and gifts. Evening Circle helps to coordinate many of these activities. If you are interested or would like more information, please contact Renee Rickert at 920-904-4241.

SCRIP During the month of February, take advantage of a 10% discount on your Kwik Trip Scrip cards and a 20% discount on your Kwik Trip Grocery only cards. Kwik Trip Grocery cards are sold through WLA only.

PRESCHOOL OPEN HOUSE You're invited to join us for St. Peter's Preschool Open House on Sunday, February 5 from 11:30-1:30. We have a three and four-year-old combined program of half day and full day options. Come see the classroom, meet the teacher, ask questions and participate in a child & parent hands-on activity. We have open enrollment for St. Peter's and Good Shepherd members until February 13.

GUEST PREACHER Retired pastor, Rev. Stephen Kurtzahn, will be our guest preacher and liturgist this weekend, February 2 and 5. We welcome him as he faithfully brings the living Word of God!

THANK YOU! The Boehringer family is very thankful for the many cards, prayers, and gifts that they received this past year and this recent Christmas season. Your expressions of support and kindness are incredibly encouraging and helpful! Many thanks!

SCIENCE FAIR Do you enjoy the awesome wonders of God's Creation? If you do, then judging science projects might be right up your alley. We are looking for 12 judges to listen to presentations from grades 5-8 on May 12, 15 & 16 to prepare for our Science Fair & Spring Showcase on Tuesday, May 16. Please consider this opportunity and let Mr. Raddatz know if you can serve in this way or if you have questions. benraddatz@stpetersfdl.net.
