**Hot Lunch Accounts:** Just a reminder from your friendly lunch staff that negative lunch balances need to be taken care of **by May 31**. It's okay if you want to wait to pay a negative balance until school is over so you have an exact amount to pay, you'll just keep getting those negative balance emails until you pay. Positive balances can be carried over into the next school year. If you would like a refund of any positive balance, please let Mrs. Zick know ([corinnezick@stpetersfdl.net](mailto:corinnezick@stpetersfdl.net)). Any families that don't have a returning student can get a refund, if requested, or else any remaining balance will be put into the Student Aid Fund.

**New Immunizations Required by State of Wisconsin:** The Wisconsin Department of

Health Services has alerted all Wisconsin schools to changes in immunization requirements beginning with the 2023-24 school year. Changes that affect St. Peter's students include: physician documentation of a child having had chicken pox and a meningitis vaccine for those entering grade 7. As always, you have the option to waive any or all immunizations, if so, please fill out a waiver form and return it to the school office. Please have your child immunized well in advance of school starting in the fall, as it is often difficult to get clinic appointments if you wait until late summer. Call your provider, or the Fond du Lac County Health Department (929-3085) to check your child's immunization records.
